CR®- AUG 06 2011—At 7.50 pm on the day of Saturday August 6th, 2011, Alan, a 10 year-old boy who lives in Xalapa in the SE state of Veracruz Mexico called me on the phone tremendously afflicted. You could hear the fear and horror in his voice. He was scared and with due reason. The Lord, God, Jesus Christ had chosen him for a second time to imprint unto his innocent consciousness a vision of the not so distant future.

The first time that Alan had a vision was on June 6<sup>th</sup> 2011. His mom Francisca had called me to share with me this vision that Alan had had while asleep. I say vision because of the details and how one knows the difference between a dream produced by the subconscious as a recycling of ideas and programming that springs forth while one sleeps to that of a vision. But this one was different, it is prophetic in nature same as the one he had today. The difference is that the one from today was given to him at 7.50pm and he was not asleep but totally lucid and awake.

### The Prophetic Children of The End Times

It is worthy to mention that the All Mighty is using our children to prophesy in His Name and that this is mentioned in the Holy Scriptures. In the Book of the Prophet Joel in the Old Testament, Chapter Two, Verse 28 quoting:

**Joel 2:28** And it shall come to pass afterward, *that* I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, **your young men shall see visions:** **Joel 2:29** And also upon the servants and upon the handmaids in those days will I pour out my spirit.

### The First Vision: A Nightmare Too Real to Be True

On the night of June 6th 2011, Monday to awaken on Tuesday, Alan woke up to go to school. He screamed “¡Mamaj”, ¡Mamaj”. Francisca saw him and told me that “He woke up and was so scared, he had a very real nightmare, too real.” What he “dreamt” we share with all who read this so they can take heed and turn to The Lord, to the Creator before it is too late and be witness of these things without having Eternal Salvation.

Alan described he saw a light in the sky and “suddenly an incessant earthquake occurred that did not let anybody walk—referring to the people in the street—. “Meteors began falling and they were falling on top of cars and they started to burn. The light was blue at the beginning and then it turned orange. It was a ball and in its nucleus it had a spike going backward while it was coming closer to Earth. The people locked themselves indoors to protect themselves. The people were shouting to them that they go inside to shield themselves,” Alan recounts.

An analysis of this first prophetic vision speaks of something pertaining to the Brown Dwarf Star known as Planet X, Nemesis, The Destroyer or Wormwood in the Book of Revelations by John the Divine:

**Rev 8:10** And the third angel sounded, and there fell a great star from heaven, burning as it were a lamp, and it fell upon the third part of the rivers, and upon the fountains of waters; **Rev 8:11** And the name of the star is called Wormwood: and the third part of the waters became wormwood; and many men died of the waters, because they were made bitter.

### The Great Red Katchina

Moreover, the vision from Alan the Boy Prophet is correlated with the prophecy of the tribal nation known as the Hopi in Arizona regarding the End Times. In it, the Hopi speak of two events that we would see in the heavens that would bring about the Great Purification or Cleansing of humanity. The Hopi speak first of the Blue Katchina, a star or a comet that would herald a new day and a new form of life will come to planet earth. The Red Katchina or "The Purifier" is the Brown Dwarf star known as Planet X which would bring great destruction and would poison the rivers and sources of water of the planet.

The Hopi mention that, "On this day the Earth, her creatures and all life as we know it will change forever. There will be messengers that will precede this coming of the Purifier. They will leave messages to those on Earth who remember the old ways.<sup>1</sup>" Again we see that there will be messengers or angels or prophets just as Peter tells us in the book of Acts referring to Joel. I reiterate:

**Acts 2:17** And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and **your sons and your daughters shall prophesy, and your young men shall see visions,** and your old men shall dream dreams: **Acts 2:18** And on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy:

And when we keep reading we realize what it is that they, those whom Our Creator has chosen, will prophesy:

**Acts 2:19** And I will shew wonders in heaven above, and signs in the earth beneath; blood, and fire, and vapour of smoke: **Acts 2:20** **The sun shall be turned into darkness, and the moon into blood, before that great and notable day of the Lord come:** 21 And it shall come to pass, that whosoever shall call on the name of the Lord shall be saved.

The Day of The Lord is close and Alan is one of these courageous prophets who warns what is to come. The Hopi Elders like Dan stress the same:

"We will receive many warnings allowing us to change our ways from below the Earth as well as above. Then one morning in a moment, we will awaken to the Red Dawn. The sky will be the color of blood, many things will then begin to happen that right now we are not sure of their exact nature. For much of reality will not be as it is now."

The Hopi describe a period of seven years between the first Blue Katchina and the Red Katchina. They describe a world between dreams where reality will seem like a void and then it will be The Day of The Destroyer:

"When the Purifier comes we will see him first as a small Red Star which will come very close and sit in our heavens watching us. Watching us to see how well we have remembered the sacred teachings. "This Purifier will show us many miraculous signs in our heavens."

The Elders from the High Mayan Council in Veracruz México believe that this seven-year waiting period already started in 2008 when Comet Holmes exploded in Our Solar System and was seen as a blue star in outer space when the Hubble telescope photographed the event. After these seven years the Red Katchina would come. That would place us in 2015 when The Destroyer passes through our Solar System between Jupiter and Mars, pass through the ecliptic plane—which it is about to do— and wrestle with our Sun to finally make its perihelion to return to space.

The Hopi warn that we would be advised about these events by people like Alan, The Boy Prophet:

"It is important to understand that these messages will be found upon every living thing, even within our bodies, even within a drop of our blood."

### **The Third World War**

Alan shared with me during a phone call ten minutes after he had the vision of today the following:

"I was here in the house and it was so real that when I sat down on the chair I had a terrible vision. My mom's face became terrible and I saw the people suffering and horrible screams everywhere. It is a vision or alert of the Third World War because it fell like a torpedo in the city of Xalapa. But that is just an example. Even the people melted, the buildings melted like clay from the nuclear bomb, mom turned into something horrible, the computers turned into something like liquid mercury and melted."

"I was running away from my own house because Jose and my mom did not have eyes anymore because of the nuclear bomb. But they chased me and screamed like zombies: but horrible cries, pleading for help because they could not see! It was horrible! And the people were dying like turning into clay, terrible! And I can't erase this from my memory."

Alan clearly saw what seems to be a nuclear missile or bomb go off outside of Xalapa. Blindness happens when one goes to the window and the flash from the nuclear detonation literally leaves one blind. The fire and intense heat from the explosion melts everything in its path, homes, buildings, computers, even the skin and human bodies incinerating them. This is indicative of the "torpedo" which Alan describes as a nuclear bomb that lands near the city, at least 10 kms away.

**Update:** Alan added more details the following day after searching the web for images of the black "torpedo" he had seen. He identified it as fat, black and that it fell from what looked like a parachute. It had a White star with two horizontal lines on the sides. Similar to the ones used in the Second World War. Bizarre enough, the day he had the vision, August 6 2011, marked the

66<sup>th</sup> anniversary of the nuclear blast that destroyed Hiroshima in 1945. ¿Could Alan have seen this event in his mind or is it a foresight of what is to come?

### The Coming Invasion of The Unites States

In 2008, Conciencia Radio published in Spanish the map of the independent Catholic Priest, Mystic and Prophet Andrew C Wingate<sup>2</sup>. In the maps he describes with detail de coming invasion of The United States of America by atheist or antichristian communist forces which Archangel Mihael (Michael) revealed to him. In the maps the military occupation of Mexico is described by these forces in yellow and with red stars the areas where there would be missile impacts.

In the Wingate map,<sup>3</sup> one can see one of the many red stars in front of the State of Veracruz validating Alan’s vision; a missile lands just in front or outside the port of Veracruz-Llave.

Figure 1 Comparative map by Andrew C Wingate and a Political map of the SE part of Mexico.

**KEY:** Red Stars indicate areas destroyed by missiles.

The gray lines represent Routes of Invasion.

Yellow Zones and dots indicate áreas of invasion or occupation.

We know the time is nigh because Jesus Christ gave Wingate the sequence of events that would lead to this scenario which Alan, the Boy Prophet describes. These events, in sequential order have been translated for the first time in Spanish on the Conciencia Radio website. We republish them in English in their entirety for our Christian brothers and sisters worldwide. "May he who has ears listen and he who has eyes see."

## Chronology of Events

### Given in a Vision to Father Andrew C. Wingate

Source: [http://www.trumpetersmission.com/messages\\_chronology.htm](http://www.trumpetersmission.com/messages_chronology.htm)

What will be the sequence of events?

(Though NOT all was shown in vision, there is additional information that was given)

- There will be a sinking of a major warship in the North Atlantic. It will be either an aircraft carrier or a full cruiser because Heaven said there will be several thousand deaths. Only those types of ships carry such a large number.
- There is to be a war/invasion of Italy after wars or disturbances have been started in Turkey and Greece, Yugoslavia with Slovakia and Austria, and Egypt with Saudi Arabia, all the different countries along the Baltic and even in Georgia, and also including Lebanon, Israel, Syria and other countries.
- When this breaks out into continuous wars, Italy will be invaded in a matter of a few days. You will know the invasion of Italy is coming when a gang-type war breaks out in Northern Italy. The gang type war is needed to have a military success. It is part civil war, and part invasion caused by outsiders who want the Italian government overthrown.
- The president of France will be assassinated, and also the leader of Germany.
- Civil war in Mexico and parts of Central America.
- South America will suffer immense persecution from an individual who will try to start a "United States" of South America.
- The U.S. will be invaded and occupied for a period of six to seven months. It will not exceed 7 months. At the end of this 6 - 7 month time period is when the Great Warning comes. (The Warning is used by God, to stop a Third World War.) Over a third of the United States will be occupied by a foreign force (and as much as a third of the population may be dead). The foreign force will actually be NATO and the United Nations. The U.N. will invade the United States as peacekeepers! The United Nations will be a united communist force, stating that they have come into the U.S. to liberate the Americans from an occupying force. This is their plan.
- They will invade us, just as we have invaded other countries, including the former Yugoslavian nations. We have gone in there as a peace keeping force to make them and their own countries stop fighting. We went in there with our blue helmets and blue berets and everybody backed off. We went there to liberate that country from its own occupation. This is exactly the same way that they will invade the United States.

Obviously racial wars will be an excellent opportunity for the foreign invasion to take place.

- The United States will be involved in three foreign wars when we are invaded. We are already involved in two wars now.

**(Note from CR®:** The Wingate chronology was published in 2004. The United States is already implicated in more than two countries: Afghanistan, Iraq and Libya. Perhaps Libya was temporary for being a multinational NATO invasion of Qaddafi. Maybe we are talking about the invasion of Iran which is about to happen in September 2011 according to Israel's plans.)

When Heaven was giving information concerning the invasion of our country, details were given concerning various parts that would suffer the most.

- Florida has already been partially invaded in preparation for the full military force that will arrive at a later date. There are many areas of our country that have already been prepared for the overthrow of our government. The majority of these people reside within about a 30-mile radius of the military installations that our country keeps armed and ready with various military personnel and military armament. These individuals have been in our country for as long as 40 years in some cases.
- Heaven has reiterated several times that our country is to expect an invasion force to enter our country during the Thanksgiving to New Year's holidays. This timeline has been determined by several factors that have been made very clear by Heaven. One of them being a clearly stated time when the military conflict will be brought to an end. That is to be in the late Spring to early Summer. In other words, between the month of May and July. We know this because heaven has said that the occupation will last approximately six months, not to exceed seven. We also know that the sign given by God to stop this war, as well as all other wars, will be given in the late spring. Therefore, the duration of the military occupation and its conflict will be for approximately six months.

**(Note from CR®:** Obama announced the withdrawal of US troops from Afghanistan and Iraq in summer 2011 just as Wingate announces!<sup>4</sup>)

- The majority of the invading military will come through the state of Texas.
- As for the East and West coasts: Florida and southern California are the areas intended to have the next largest infiltration of military forces. Due to our military's quick response in the state of California, there will not be an occupying force in California, as much as there will be in other parts of our country.
- Florida will not fare as well. Florida's suffering will begin the very first day of the invasion, and will be overrun and completely occupied in a short period of time by the communist forces intent on overthrowing our government. Due to this circumstance our government will decide to amputate Florida from the rest of the country, and eliminate this area from remaining as an area of massive buildup for our enemies. Our military will totally destroy the areas extending south from Mobile, Alabama to the Florida Keys. This will occur approximately two weeks after the initial invasion. It will be the great remorse that this action will be taken, but consider it an absolute necessity

because of the vast numbers of individuals coming into the area for reinforcement of the military occupational forces.

- In an effort to make things clearer, I do want to emphasize that the destruction I refer to is mostly the loss of human life. This is because our government will use neutron bombs on the state of Florida. And this will happen not once, but twice in some areas.
- In the southern and central part of Texas, our government will use neutron bombs in the attempt to stop the military forces that are occupying that area, with as little physical destruction as possible. The forces of the invasion will continue northward up the central part of United States forming a line of separation between the free America and the occupied America until the Great Warning comes to stop all the wars around the world.
- This is not an event that people can blame on God and say that God is doing this to punish mankind. All of these occurrences are because of events that have already occurred that are making this possible. This is a punishment that our country is bringing upon itself because of its messages and radio programs. All of these things can be lessened by the true conversion of the American people by returning as one nation under God. And for this to happen, the American public must return to obedience to God first, and above and beyond any worldly gains. This includes the awakening of the American public to the great atrocity of abortion, and invalid and immoral laws that have been passed permitting immorality to have civil protection in our society.

People must understand that evil does not have a right to be protected. Just because people may enjoy or prefer an evil, does not mean that these evils have a right to exist in our country much less to be considered as a moral good. One of the main reasons why we are going to suffer as a nation is because our leaders have failed to lead our citizens as a nation under God. This is the very first and main reason. The next is that the citizens have not demanded that our leaders abandon their immoral ways for the glory of God and the salvation of our nation.

- When the Warning comes, it will stop all the wars. I will go into detail about the Warning later. But for now, know that the Warning will stop all the fighting. Scripture refers to the "turning swords into plowshares." Mankind will put down its guns and immediately and impulsively begin to rebuild. They will leave the cities by the millions and go into the countryside and build hamlets upon hamlets. The only thing, is that until they have the wisdom that is given to them at the time of the Second Pentecost, they will not completely understand all truths and Christ's Teachings.
- A month AFTER the Great Warning, there will be a HUGE earthquake in Italy that will affect three areas. The area around Rome, Pompeii, and at the base of the Alps which will cause terrible destruction to Venice, as well as affecting Greece and the Yugoslavia/Bosnia area. It is a punishment from God because they have given so little respect from having the "Capital of God's Church", The Seat of Peter, so close to them.
- After that is when miracles are given to prove that there IS an anti-Pope in Rome, and identify the Apostles of the End Times.
- The Anti-Christ will proclaim worldwide that he brought all these things onto the world to lead the world to him. He will instruct all leaders of the world to gather together. When the leaders of the world do gather together at the United Nations, the Anti-Christ

will not show up and none of his leaders will show up either. And this is the warning that Heaven gave about the United Nations building and parts of New York being destroyed.

### **Conclusion**

On the basis of what has been written in this article, I think it is time for children and teenagers to wake up and come out of their prophetic closets and prophesy the visions that God has been giving them. Just as Alan, there are many, my son of ten being one of them. I also believe that The Day of the Lord is very close indeed and when it happens, it will be too late for those that have not accepted Jesus Christ in their hearts as God incarnate. To accept that Jesus was crucified in Jerusalem to spill his Holy Blood to forgive all humanity for its sins and prove that Eternal Life beyond physical death is real and by leaving behind as evidence His Resurrection on the third day and His promise to return for His children, those who accept Him at the moment of The End.

Thank you Alan, thank you Francisca and thank you Father God for allowing us to see through your children the Glory and Power of Your Coming. It is in honor and glorification to you Jesus that we do all of this.

### **Recommendation**

For those that have not accepted Jesus Christ, I only ask one thing of you: Read the Gospel of John the Apostle straight through just once. Then you decide who created you.

For those that are already reborn spiritually and are not anymore part of “the congregation of the dead”—the living dead— in preparation for the difficult times ahead that we must face, we ask you to repent daily of your sins and offenses, keeping yourselves in constant prayer and routinely read and pray Psalms 18, 23, 37, 65 and 91 as well as putting on the Whole Armour of God that is written in Ephesians Chapter six.

Benevolent Blessings Always,

Alexander Backman
