Abstract:

This article describes how the plans of the Global Elite are instigating a Third World War triggered in the Middle East with the means of Population Reduction, Extermination of the Middle Class ushering the creation for a New World Order in fulfillment with End-Time Prophecy by the end of the year 2012.

FORMER OIL CARTEL CEO & WHISTLEBLOWER SPEAK OUT

CR.com®, June 27 2011- Lindsey Williams was on the Alex Jones show at infowars.com after coming back from an overseas trip where he had top-level meetings with a former CEO of the Petrochemical Military Industrial Complex known as and referred to as Mr. X in his books and publications.

Ordained Baptist Pastor Lindsey Williams was informed by this World Elite whistleblower of a series of shocking facts with regard to the current state of world affairs. The summary of points he mentioned and forecasts according to his source are related to the massive awakening of the masses who are becoming aware to the World Elite's Domination Agenda known as the New World Order.

"The Elite are getting scared of people waking up." –Lindsey Williams.

"Too many Americans are waking up and revolting against the Elite System and as a result here is the first way in which they have backed off", Williams announced. Oil will not go over 5 dollars a gallon in spite of previous predictions from Williams' anonymous source that it would go up to 7 dollars a gallon. The Elite are backing off on their intentions for fear of massive social revolts if gasoline prices spike even more.

Another key point mentioned by Williams is, "The Elite are getting ready for the day that the revolution in the Middle East cuts off oil supply. They have a target date. I cannot give it to you." The obvious question is why not give the date Pastor Williams? If you are trying to warn the masses of the enemy's agenda, why not thwart their plans by coming clean with all you know? Nonetheless, the date is not far off as he mentions to Jones. Williams accurately announced the Revolution in Egypt that toppled Mubarak's dictatorship. He also mentioned the following nations that come after in the Elite's plans to dismember the Middle East in a multi-state-sponsored coup d'état that would pave the way for Radical Islam to come to power. The countries he mentions in specific order are: Egypt, Libya, Oman, Yemen, Jordan, Syria, and Saudi Arabia.

New World, New Oil

On May 12th, 2011 there was a Bill that was stealthily passed where the US representatives of Congress were bribed to vote in favor whereby authorization was given to begin drilling for oil in Alaska. This was not covered by the Elite-controlled mainstream media. This is being done because of the fact that the United States is going to default the national debt of more than 14 trillion dollars once Saudi Arabia is out of the mix, Williams stated. Upon further research, CR® has found the [Bill titled H.R. 1870: Increase American Energy Production Now Act of 2011](#) which has the sole purpose “to safely increase domestic oil and gas production, and for other purposes”. HR 1870 states in TITLE VIII section 802:

“...the construction of pipelines necessary to transport oil and natural gas from or through the National Petroleum Reserve in Alaska to existing transportation or processing infrastructure on the North Slope of Alaska.”

35 years ago Williams published a book titled *The Energy Non Crisis* where he mentioned he saw the biggest oil reserve ever discovered in Alaska. This discovery was swiftly classified by the US Government to prevent it from being disclosed to the public. But this is about to change. Williams revealed, “The largest oil rig ever built on the face of the earth within the past few weeks has been moved to Prudhoe Bay Alaska.” As a heads up, Williams identified the name of the rig as The Liberty Rig. He also mentioned that the rig is already in position in Alaska and “They are going to drill 8 miles out,” in the Arctic Ocean in an area termed today as the Lisbon Zone.

It seems like the reason for this new oil-drilling plan is so when the Stretch of Hormuz shuts down and the world’s oil supply comes to a halt they will have enough oil to maintain the military monster the US has become. Just as Dr. Bill Deagle prophetically received through divine revelation and has been stating for years now. Quoting Deagle on the recent talk we had where I was honored to be a guest on his daily online radio show on the Genesis Communications Network he said something that must be documented:

“Twenty-four years ago, I received information supernaturally that told me when the oil is cut off at the Strait of Hormuz, I didn’t know where the Strait of Hormuz was. I had to look it up. That the beginning of events of the final stages of our age. It is not the end of the world but the final stages. That’s why for the third time in history America went into the national strategic oil reserve. This is not a quote “emergency” but they are just being one because with all these revolutions that we’ve promulgated with Twitter®, Facebook®, special forces and these Benghazi-type Al Qaeda terrorists that are embedded from the Muslim Brotherhood and all these Arab countries which we are pushing, promoting and financing, they’re getting ready to cut off the Gulf of Aden and the Strait of Hormuz.”—Dr. Bill Deagle.

“Everything the Elite are doing is being kept on a timeline of Divine Intervention and they have said that at the end of 2012 is their timeline.”

— Lindsey Williams.

After analyzing all these CIA-sponsored-Psyps or so-called "Color Revolutions" promoted by Hillary Clinton, Google's Eric Schmidt (Bilderberg Member) and the Elite, one can plainly see what the New Middle East is transforming into. Once the Muslim Brotherhood is given all control of these toppled countries that the Elite has marked, we will see a Nazi-style Global Jihad Force of biblical proportions in full force against the West; a war to destroy Christianity that will involve nuclear terrorism, terrorist bombings and urban warfare.

Libya and the Qaddafi Scenario

The World Elite or illuminati have ushered a full-scale assault on the Muslim and Arab nations starting with the CIA-controlled Color Revolutions that have already toppled the governments of Tunisia and Egypt. Yemen and Libya have been bombarded by the US creating more unrest and instability in the Middle East.

Also, Qaddafi has stated that he wants the NATO New-World-Order-Army to stop their attacks by accepting a ceasefire and allowing elections in his nation. Well, Nato just does not care. On Monday June 27, Debka reported that The Hague had issued an arrest warrant for Muammar al Qaddafi and his sons for war crimes. Since this announcement was made, Debka reported that the "Libyan minister said "the Hague court war crime warrants against Qaddafi are a cover for NATO attempts to assassinate him ...his son Saif al-Islam and intelligence chief Abdullah al Senussi." Worse even, the reality that Obama has been criticized by the US Congress¹ and asked to stop the unlawful Libyan invasion attests to the fact that he is being controlled by his handlers, Tirilateralist and CFR founders Zbgniew Brzezinski, Henry Kissinger. With this, Obama is frankly duping the Americans and the World once again as a deceiver and warmongering-puppet baboon that he is. The international outcries have not stopped but what is so strange is why Russia decided to support the invasion after all. Evidently, there is something else in Libya beside oil that the Elite want, including Russia, and they want it badly. All I can say, according one of my sources is that it has to do with a certain form of ancient technology that exists under Tripoli; the same type of technology sought after by the Bushes in both of the Gulf Wars.

To give us a refresher course into the Elite's Totalitarian war and terror-rooted ideology let's hear from the horse's, or better said, the ass' mouth himself:

"Finally, a totalitarian ideology would be one that is concerned with total destruction and total reconstruction, involving typically an ideological acceptance of violence as the only practicable means for such total destruction. It might accordingly be defined as 'a reasonably coherent body of ideas concerning practical means of how totally to change and reconstruct a society by force, or violence, based upon an all-inclusive or total criticism of what is wrong with existing or antecedent society.' This total change and reconstruction in its very nature constitutes a 'utopia', and hence totalitarian ideologies are typically utopian in nature." —Totalitarian Dictatorship and Autocracy by Carl Friedrich and Zbgniew Brzezinski²

Follow the Line

Just by analyzing the recent wave of geopolitical events and correlating them with the longitude on which they are happening one can pinpoint which cities are privy to conflict. The longitudinal lines in question are parallels 30° through 33°. Why? Simply because Jesus Christ’s ministry began at 30 and the crucifixion happened when he was 33 years old? Yes! That’s why. The End of Times has been mathematically proven and is coming into fruition.

Moreover, 33° is a master occultist number for the Elite but also as researcher and author David Flynn in his book Temple at the Center of Time³ has demonstrated that 33 is tied to the Return of the Watchers or Fallen Angels mentioned in the Book of Enoch, Genesis 6, Book of Jasher by the year 2012, its correlation with the UFO crashes and retrievals in Roswell New Mexico in 1947⁴, the location of the Temple Mount in Jerusalem and the fulfillment of the Books of Daniel and Revelations, the Appearance of the Antichrist, The False prophet, Armageddon culminating with the 2nd Advent of Jesus Christ to Earth.

The table exemplifies this even more.

Notice how relevant many of these cities are in the shaping of world events and Biblical prophecy, now more than ever.

The Master Plan

Albert Pike, a satanic confederate general and high-level Luciferian Mason stated in a letter to Mazzini his vision of the Three Great World Wars. Citing William Guy Carr, former Intelligence Officer in the Royal Canadian Nav. In his book, *Satan, Prince of this World*, Carr includes the following footnote:

"The Third World War must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion... We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time." – Albert Pike's Letter to Mazzini (Emphasis added.)

Although the Elite wants to increase the price of Gold to three thousand dollars an ounce and the oil prices to 200 dollars a barrel, the good news is that the awakening of more citizens each day is helping curb or slow down the extinction of the middle classes to a certain degree. The recent exposition and mainstream media coverage of the highly secretive Bilderberg Meetings have helped to thwart their monopolistic one-world scientific dictatorship. The only scenario that is left is a massive uprising against them which will in turn bring repressive techniques through the implementation of Martial Law to control society and enforce the New World Order. Just what the Globalists want.

The Anglo-Saxon Mission 2011: The Satanic Symphony of the End of an Age.

But it does not stop with the Bilderberg posing as the Elite. They are just minions for the true Secret Establishment that is running things behind the scenes. In the City of London, the safe-haven of the Marlborough, Rothschild and other Illuminati Royal bloodlines lays a sinister plan that will be implemented in August 2011. No other than these two states within states, the Vatican and the City of London, have total immunity from national and international laws and any form of prosecution.

In what is known as The Anglo-Saxon Mission⁵, the Elite are planning to bring about a series of events that will make Hitler's Supremacist-Aryan power grab for world domination look like mincemeat in comparison. Thanks to an insider and military nuclear specialist within the U.K. MIEC who contacted Bill Ryan at the Project Camelot website back in February 2010, we now have a clear and pristine timeline in the plans of the Elite that serves to expose their criminal actions and definitely helps counterintelligence groups resisting the Globalists. The anonymous source attended a top-level meeting between Senior Masons of the Council of 33 or the outer ring of the Illuminati core structure back in 2005 where he heard them amusingly discussing and planning, even establishing a timeline to make their perverse and

⁵ The Anglo-Saxon Mission: the Third World War and the Inheritance of the New World, http://projectcamelot.org/anglo_saxon_mission.html

demonic plan a reality; the creation of a Post-cataclysmic New World Order. Keyword being *Post-cataclysmic*.

In short, this is what they said would start happening as of August, 2011 according to Ryan:

- There is a planned Third World War, which will be nuclear and biological. The insider said it would start within 18-24 months. If we take into account the date of the interview (Feb 2010), that would bring us into an August 2011 through February 2012) window.
- It is planned to begin with a strike by Israel on Iran. Either Iran or China will be provoked into a nuclear response. After a brief nuclear exchange, there will be a ceasefire. The world will be thrown into fear and chaos - all carefully engineered.
- The extreme state of tension will be used to justify heavy social and military controls in all western first world nations. Plans are already in place for that.
- During the nuclear ceasefire, there is planned to be a covert release of biological weapons. These will initially be targeted against the Chinese. As our source chillingly told us, "China will catch a cold". Biological warfare will spread further, to the west. Infrastructure will be critically weakened.
- This is intended to be just the beginning. After this, a full nuclear exchange would be triggered: the "real" war, with widespread destruction and loss of life. This insider told Camelot that the planned population reduction through these combined means is 50%. He heard this figure stated in the meeting.

This is just the beginning of something much bigger that is about to occur. It would be ridiculous to believe it if we weren't having all these massive earth changes since 1994 where seismic events of increasing magnitude have changed our landscape, moved the planet's axis, volcanoes erupting out of nowhere and geomagnetic anomalies being detected all over the world. Be it in the Gulf of Aden, the Bermuda Triangle, The Pacific Ring of Fire, the new ocean in Eritrea or the New Madrid fault line, the San Andreas Fault and so on. The fact is that people have to be really blind to not see that this is the soon-to-be Final Endgame for this, as Michio Kaku mockingly would say, Type Zero Civilization.

The EVENT, Exponentialized!

To top it off, the Elite are doing all of this because of what they referred to in the 2005 meeting as a cyclical "geophysical event" that happens every 11,500 years. Putting two and two together, most of us that have done the research know that it is the sun creating a Super Coronal Mass Ejection so massive that it dwarfs the Planet X, Nemesis, Nibiru scenario right out of the sky. Albeit there is the possibility that this Brown Dwarf Star is the culprit of the sun going haywire all of a sudden as it starts to appear above the ecliptic as John Dinardo and Marshall Masters suggest.

Moreover, Clif High from the Web Bot Project⁶ as well as many academic scientists referenced by High⁷ such as author Patrick Geryl⁸, Maurice Cotterell⁹ and not so academic researchers claim the sun will

create a massive “kill-shot” (Ed Dames¹⁰), a term coined by famed Pentagon-trained Remote Viewer Ed Dames and that we are in the window right now for this to occur any moment now. This would explain why all the bunkers are being built at top speed under the ground in Australia, Russia, Mexico, Canada, Norway, India and of course, the United Kingdom and the United States. The only things that cannot be debunked are the bunkers themselves (Pun intended!). Jesse Ventura exposes the construction of these massive retrofitted silos in the 2nd season of his hard-hitting series Conspiracy Theory on 2012. And I personally can attest to the reality of the bunkers after interviewing a government insider in Mexico City that supervised these massive 40-floor underground structures beneath the wealthy apartment complexes the Mexican Elite has in the surreal 1st world area known as Santa Fe City in the North West of Mexico City and the region of Lomas de Sotelo. He told me “Jewish bankers own all of them and they are getting ready for something massive.” He explained how he found enormous food supplies, clothing, state-of-the-art water and air purification systems, living quarters, gas lines. All this encaged and entombed deep down below Mexico City.

In Australia, there is more evidence of these 2012-accelerated constructions going on as well where in an email sent to Urbansurvival.com earlier in 2011 a woman relates the massive 45 billion dollar project in preparation for the 10 thousand year flood as in the Days of Noah¹¹.

One last thing I want to mention is if one is to take into account that the total fulfillment of End-Time-prophecy is upon us, and I believe it is, and then we have a moral and spiritual responsibility to support Israel at all costs during this time. We must repent to the Almighty Creator of All and abide by His Commandments left through His only begotten Son, Jesus Christ. If you do not subscribe to this idea then start speed-reading your Bible for it is all written in The Book of Life and if you are not written in IT then you will have Him to answer to. And before commenting poorly on this article and start to fight over what the Bible says and not says over these matters, just, once and for all, take it from me, verify it. IT IS HAPPENING NOW! And May Our Lord Jesus Christ have mercy upon all our souls. TRUTH! Teach to Repent Take Responsibility and Take Heed.
