ADVISORY! THE IDENTITY OF THE PARTY INVOLVED HAS BEEN CHANGED FOR SECURITY REASONS.

OVERVIEW:

THE PRESENT INTERVIEW WAS CONDUCTED IN ENGLISH WITH AN INFORMER WHO STATES THAT THE HAARP PROJECT IS CURRENTLY ACTIVE AND PLANNED TO BE DEPLOYED AS A TSUNAMI AND TECTONIC WEAPON OF MASS DESTRUCTION WITHIN THE MONTH OF MAY, 2010. THE TARGET CITY WOULD BE THE PORT OF ENSENADA, BAJA CALIFORNIA MEXICO, 68 MILES SOUTH OF SAN DIEGO CALIFORNIA.

THIS INFORMATION GOES IN CONJUNCTION WITH THE ALARMING RECENT SEISMIC EVENTS THAT OCCURRED ON APRIL 4TH WHERE A 7.2° RICHTER EARTHQUAKE FOLLOWED BY AN ALMOST UNPRECEDENTED AMOUNT OF ALMOST FOUR THOUSAND AFTER SHOCKS HAVE ROCKED BOTH THE STATES OF BAJA CALIFORNIA IN MEXICO AND CALIFORNIA IN THE UNITED STATES.

IN TANDEM, IN THE MONTH OF JANUARY, WE RECEIVED INFORMATION THAT A SCIENTIST AT THE CICESE HAS KNOWLEDGE THAT AN IMPENDING SEISMIC EVENT ON THE PACIFIC PLATE THAT WOULD TRIGGER OFF A HUGE AND DEVASTATING TSUNAMI FOR ENSENADA BAJA CALIFORNIA. THAT IT COULD HAPPEN TODAY OR IN THE NEAR FUTURE. DOES THE MEXICAN FEDERAL GOVERNMENT KNOW THAT THIS IS HAPPENING? WHY IS THE POPULACE NOT BEING WARNED? OBVIOUSLY, YOU WOULD NOT CONFESS TO BEING PART OF A CRIME BY COMING OUT IN THE OPEN, EVEN IF IT MEANT SAVING OTHER PEOPLE'S LIVES. THE REASON, AS ALWAYS, IS THE MONEY, THE *STATUS QUO* AND THE LUST FOR POWER.

ALL IN ALL. WE PUT THIS INFORMATION OUT BECAUSE WE KOW THAT IF RECEIVES THE COVERAGE IT DESERVES, A LOT OF INNOCENT LIVES CAN AND SHOULD BE SAVED. THE CONSPIRACY TO SLAUGHTER HUMANS UNDER THE AUSPICES OF ODD NATURAL OCCURRENCES IS THE PERFECT CRIME BEFORE THE EYES OF THE UNTRAINED MIND. FOR THE TRAINED MIND, HOWEVER, IT IS EVIDENT THAT CRIMINAL INTENT IS PRESENT AND HAS TO BE INVESTIGATED AND STOPPED AT ALL COST.

ALEXANDER BACKMAN: Please tell me. What information do you have with regard to an event that might happen or trigger off an earthquake in Baja California (Mexico)?

MR. Y: Is this going to be recorded or something?

ALEXANDER BACKMAN: Yeah. But don't worry. We're going to change your voice.

MR. Y: Oh, sounds good. What happened is that... As I said before, right? And then this... You know the earthquake happened (7.2° Richter near Mexicali, Baja California Mexico on April 04 at 03:40:40 pm ZT) and everybody started all panicking and then I met you on Thursday (April 08, 2010 02:20pm).

ALEXANDER BACKMAN: Yes.

MR. Y: And then you told me about this thing about the earthquake that is going to be caused and it's going to sink all of us (unclear). And then, the next day, I met a friend and she told me that an uncle of hers went to a conference (the uncle is a scientist from [REDACTED]). This conference was hosted by two people who work for the HAARP Project, who came down and passed out as a, uh, as "psychic people". I don't know. How do you say, "psíquicos" in English? to be more specific.

ALEXANDER BACKMAN: Psychic is alright. Yes.

MR. Y: And what happened was that they told the people in this conference that they didn't make any propaganda out of this thing. (That) they didn't make it public. So, it was like who attended to it, those who were there, were going to be lucky. And her uncle came down and they told everyone in the family **that there was going to be a tsunami in two days from Wednesday** (April 07, 2010).

ALEXANDER BACKMAN: Yeah. The 7th of April.

MR. Y: They didn't say the time but it was going to happen in two days. [unclear portion]... on Thursday (April, 08th) or on Friday (April, 09th). And nothing happened.

But they said, THE BIG ONE was going to happen in May (2010). They didn't say a specific date; it was going to happen next month and it's going to be the one that's going to devour all of Ensenada with the tsunami. Everything'd go down. We're all going to go and be drowned and there would be a lot of deaths. So that, what I think was going to happen was weird because what we have here in Ensenada is a harbor, and it's an international harbor, right?

ALEXANDER BACKMAN: Right.

MR. Y: And we make a lot of money with that thing. We make the economy effective so maybe the United States is going to get, was going to become owner of that thing. I don't know. What do they want for this? Why do they want to drown us for?

And that's all that happened and we just were either calm or trying to talk about this with our friends. It was Wednesday. It was a very hot day and by the night it was starting to blow wind real hard. So, they came for us. My friend's sister said that she had good news. She said that the HAARP Project was cancelled. But the thing that was going to happen was that "they" (meaning the Powers that Be) were going to do it by distracting us from knowing the truth with, uh, celebrities you know, with Ricky Martin being gay and all of that. And this one thing about that other girl but I didn't get that much information on that. But I didn't understand.

ALEXANDER BACKMAN: Well, Sandra Bullock, right now, there was a conspiracy to hell her. That was announced yesterday. Um, and also Ricky Martin put out his nude video on Youtube® now. So, yeah, there is a media distraction to disvirtue or to obviously distract the public opinion from other events.

MR. Y: Ok. And during that time they were going to start the Project but they said that the news had told them was that the Project was cancelled as soon as everyone started to like question themselves, they were starting to become aware. And I don't know which government was it, either it was the United Nations or the Israeli Government that came to agreement with the United States, they shook hands and they cancelled the project because they knew the things that were going to happen. It was going to backfire supposedly and that it was going to cause a lot of destruction; not just in one place but in the entire world. It was going to affect everybody. And so, it's canceled.

[Comment from CR: It is curious that months previous the Israeli Government was conducting some form of experiments with the Mexican Military at the 2nd Military Zone south of Ensenada. The person that informed us of this said that this was HIGHLY CONFIDENTIAL.]

However, this news was supposedly told on Tuesday at night, the day we met at the café.

ALEXANDER BACKMAN: Yes.

MR. Y: And then she was told the next day on Wednesday (April 07) in the morning. So I don't know if this is really reliable because why would they be panicking and then be told that the nearest... they day before that the thing hadn't happened was just to calm us all down or something?

ALEXANDER BACKMAN: Probably, or maybe they just changed the time-frame.

MR. Y: That's everything I was told about it.

ALEXANDER BACKMAN: The people who were at this meeting, who were they?

MR. Y: I don't know. They just...

ALEXANDER BACKMAN: Not the people from the States, the other people. Doyou know if they work for the Mexican government or something?

MR. Y: Hmmm. I can't tell you that. I don't really know. [Nervous tone in voice]

ALEXANDER BACKMAN: Ok. I understand. Do not worry. Alright.

Basically, I just want to share my gratitude and our support to you from where ever you're calling us. Just so you know that we thank you very much for sharing this information with us.

MR. Y: Ok. You're welcome.

ALEXANDER BACKMAN: Thank you. God Bless you. That was an informer that just gave us valuable information with respect to our dear city of Ensenada Baja California Mexico and Baja California with

regard to information that has been divulged in certain circles, maybe probably higher circles or important circles within Mexico of impending events that might or might not, we stress, might or might not happen in the month of May 2010.
